

5/8/2020

Dear Triad Kids Campus Families,

We hope all our Triad family members are staying safe and sane during this challenging time. Your health and well-being continue to be our top priority. Our staff has been working hard to prepare the gym for reopening when it is safe and when we are permitted to do so.

We are not able to give you an exact date for our reopening, however it looks like we are moving in the right direction. Once we have a projected opening date, we will be in touch with specifics as to schedules and return procedures. Know it is possible that different areas of Triad may be allowed to reopen sooner than others. Please know that we want to get all areas up and running ASAP.

Due to the impacts of COVID-19 we recognize that there are many new procedures required to conform to social distancing requirements and the need to maintain high cleanliness standards. Triad will be taking a phased approach to reopening. The first phase is expected to last around 2 weeks to make sure the new systems are working. I encourage you to follow our Facebook page and keep checking the Covid-19 page on our website to view those changes.

All of us at Triad look forward to reconnecting with everyone and welcoming you back to our gym when the time is right.

Until then...Stay safe, stay strong, and remain optimistic.

Bryon Hough
President
Triad Kids Campus
